Beginning of the new school year 2020-21

Dear Parents,

Welcome to another academic year at Arcadia Academy! This year will be very challenging, however despite the fact that we need to cope with the new coronavirus, the whole school community is very committed to improving the quality of teaching and learning, promoting good behaviour and safety and including parents in the school life.

New teachers have settled in and our academic expectations for this year are, as always, very high. Last year our IGCSE and A levels students had their exams which are marked externally in Cambridge by Cambridge examiners and achieved **outstanding scores**, despite the coronavirus. These exams are an international benchmark and this result is simply outstanding, showing the academic standard is clearly high!

We would like to remind our parents and students that your **prompt arrival** to school is much appreciated. Please make sure you arrive before 8:25am as the gate will be locked at that time.

Wearing the school uniform is a part of our vision for Arcadia Academy. It is a badge of pride, creates an identity for our school and is an important part of being an Arcadia Academy student. Please ensure your child is always wearing the uniform.

Thank you very much for your continuous support and see you all next week for our parents' evenings.

We look forward to seeing you soon!

Yours faithfully,

Mr Milija Bozovic
Head of School
